EXPERIENCE

Activities Manager, Cambridge School of Visual and Performing Arts Summer School, June - August 2022, Easter 2023 and August 2023

As Activities Manager I:

- took overall responsibility for the centre activities and excursion programme, to ensure that a high-quality programme was delivered,
- dealt with and created a professional rapport with different companies and vendors,
- built a reassuring and positive relationship with the students (up 120 at any one time), including those for whom English was a second language,
- on a day to day basis, devising and running different activities myself, as well as supervising the other Activities Leaders, to ensure the students were engaged throughout their stay,
- organised excursions including itinerary, transport, catering, drawing up risk assessments and arranging a good balance of fun and learning,
- responded to our clients' (parents and agents) needs, and met their demands wherever possible,
- managed up to 9 other people (Activity Leaders) in my team, training them and supervising them as well doing their rota,
- ensured the safety and welfare of all the students at all times, including ensuring their dietary and medical needs were met, and producing nurse reports and risk assessments using various software including Excel.
