	All India Secondary School Examination	2007

DETAILS OF EXPERIENCE

Management Accountant

- Worked as a Management Accountant with a leading charitable organisation in the world, specialised in adoption.
- Experience in working with management reports, budgets, cash flow, ratio analysis, along with other reporting requirements critical for decision making and analysis.
- Handled matters which were of high stake, including acquisition of other entities and directly reporting to the top management.

Systems

- Worked on advanced ERP softwares like Sage Intacct, Sage50, Microsoft Dynamics GP, Xero, NetSuite, QuickBooks and Tally.
- Hands on multiple specialised softwares for managing contracts, making payments and managing receivables, such as Salesforce, ConnectWise, Bill.com and VersaPay. Worked on the integration of such systems with clients main accounting software.
- Experienced in using Office applications for document and spreadsheet processing for more than a decade. Apart from daily activities, I have created spreadsheets easing out the work for the team, utilising queries, macros, etc.
- Standardised activities and implemented automation to the extent possible for reduced level of manual work, saving time, money and efforts.

Receivables Management

- Managed receivables as part of the Order-to-Cash team.
- Chased debtors for timely payments, keeping bad debts at nil or minimum.

Transition

- Transitioned accounts of multiple clients, while being Transition Manager at Consero Global Solutions, a Texas based company specialised in Finance as a Service.
- Accounts of multiple clients from diverse businesses were transitioned to keep in line with the GAAP and other legal requirements.
- Transitioned data from one system to another and integrated multiple systems.

Audit

- Led audits as part of training for Chartered Accountant and Cost & Management Accountant courses.
- Managed audits in various fields such as financial and statutory audits, tax audits, circulation audits, verification of fixed assets, bank audits. Audit expanded over small, medium and large companies, including listed and multi-national companies.
- Assisted auditors in answering their queries as part of monthly and annual audits, covering both internal and external audits.

Liaison & Team Management

- Handled a team, overseeing their activities, dealing with their queries, and making sure that their needs are fulfilled while the organisational objectives are kept in mind.
- Accustomed to work with a team from diverse background, geography, language and culture. I have also worked with cross-functional teams apart from Finance.
- Acted as the primary point of contact for clients representing the company, including domestic and international clients, addressing queries to their satisfaction.

Payroll

- Hands on time-sensitive payroll related activities along with the team, calculation of employee compensation, statutory payments, tracking of changes in employee status and pay, etc.

Payables Management

- Managed payables as part of the Procure-to-Pay team.
- Dealt with all payables in a timely fashion, taking best advantage of the credit period, without compromising on the time for making payment.
