Page 1 of 1

Advanced maritime professional with Government administration experience.

1. May 2015 – Present

Taking a break and consolidating work principles, ethics and capabilities.

Nov 2013 – May 2015

Account Executive - Marine, for Arthur J Gallagher. All aspects of marine insurance broking

<https://www.ajg.com/au/> .

2. July 2012 – Nov 2013

Client Liaison Officer for the Australian Government (Commonwealth) managing and administrating the COASTAL TRADING (REVITALISING AUSTRALIAN SHIPPING) ACT 2012 (NO. 55, 2012) - See

<https://www.legislation.gov.au/> .

3. Jan 2011 – Oct 2011

Yacht Registration Manager (Manager) for St Kitts and Nevis International Ship Registry (Registry), as the Manager I implemented the yacht registration regulations for the registration for super yachts and yachts. A major part of my work was marketing and advertising the Registry in London (maritime lawyers, marine financiers, International Association of Classification Societies (IACS)), in the Caribbean and South of France, and included myself representing the Registry at the International Maritime Organisation.

<https://www.skanregistry.com/en> .

4. Aug 2008 – Jan 2010

Database Administrator for Meridian Marine Management in Liverpool United Kingdom: administration implementation, development and rollout of Docmap including the email client server. Also I developed and implemented the computer based training for the 60 strong office personnel and the 21 vessel fleet – colliers, Ro-Ro/ Ro-Pax, and other vessels.

5. Nov 1998 – Aug 2010

World-Wide yachting on super yachts and smaller yachts and yacht racing in the south of France on a Classic Gaff rigger cutter – see the link <https://www.partridge1885.net/> and the 1994 – 1995 Sydney to Hobart. Also included charter and private sailing on motor yachts and sailing yachts in the Mediterranean, Red Sea, Caribbean and included Trans-Atlantics and multiple yacht deliveries.

6. Jan 1989 - Nov 1998

Plumbing and Gas-Fitting as a four-year term apprentice and tradesman working Fremantle, Perth, Darwin and other country areas of Australia.

I have numerous qualifications as a plumber tradesman, super yacht captain, masters degree and in insurance.
