## WORK EXPERIENCE

### Sound Technician

2022-

Kick PA Company

My duties would include knowing what music and changes in sound level are needed, choosing suitable microphones and equipment. I would also be positioning and rigging up microphones as well as doing sound checks before a performance In

addition, I would be operating the sound desk during shows as well as unloading, setting up, dismantling and loading equipment at each venue.

### Barista Maestro

2022- 2023

Costa Coffe

My duties included serving food and drinks, keeping the eating and serving areas clean and tidy, operating the till, taking cash and card payments, and giving out change and receipts.

### Customer service and Promoter

2021

FMA Rimini S.R.L

demonstrating the features of a product to clients, shows how the product works, takes questions. Help customers with complaints and questions, give customers information about products and services.

### Barista

2020

Deli Fresco (Edinburgh)

I would serve customers by taking orders, serve food and prepare tables. I would also make customers feel welcome and comfortable during their meal as well as greet customers as they arrive and show them to their table. I would also give out menus and take orders for food and drink. In addition, I would serve food and drinks and deal with bill payments and make sure that tables are clean and tidy.
