Personal statement:

I have currently completed a two year course at Bedford College, studying I.T software development. I have worked a total of 5 years in the customer sales assistant field (2 years working at a Onestop store and a further 3 years working at sainsburys). I am now a student at the University of Northampton.

I enjoy meeting new people as well as learning new skills. Responds well to new challenges whilst also learning quickly from to further enhance these experiences. Works well in a team but can equally work well as an individual. Well organised, punctual and reliable individual with the energy to take on the working world.

Education and Qualifications:

2015 GCSE English: GRADE C
GCSE Design and technology Graphics: GRADE B
GCSE Maths: GRADE C
GCSE Science: GRADE C
GCSE Additional Science: GRADE D
GCSE Computing: GRADE E
GCSE Food and Design Technology: GRADE C
GCSE R.E: GRADE B

2017 BTEC Level 3 Extended Diploma in I.T Software Development - MMP (Merit Merit Pass)
Certificate of personal effectiveness Level 2
Personal Mentor throughout the last year of college.

Peer Mentor:

In Bedford College I was a peer mentor during the final year of the course, I thus helped other students in my class with their work as well as any other problems they may have had. This helped me learn communication skills as well as how to work in a team. This further helped me become more confident, as

well as learning how to multitask as I had to help people with their work while also completing my own.

Prior Experiences:

I have worked a total of 5 years as a CSA, 2 years of which were with Onestop and the other 3 years were with Sainsburys. This occurred from the middle of 2017 till the end 2022.

I am willing to learn all that I can so that I may do the job to the best of my abilities. I am a fast learner as well as determined, I am often free so I can work almost every day at any time necessary.
