## Career Summary

---

**Sep 2021 - Mar 2022**

**DTEK Energy SCM Limited, Kyiv**

**Trainee manager in the Department of financial planning and analysis**

### *Outline*

DTEK is the biggest energy company in Ukraine. I was a trainee manager in the Department of financial planning and analysis. This was a 6 month internship with possibility of a long term position. Unfortunately due to the war the internship ended prematurely.

### *Key Responsibilities*

- SAP/EXCEL data operating; preparation of presentations for CEO; business planning and cross-checking reports to plans.

### *Key Achievements*

- Prior to the war beginning I had been advised that a permanent position would be available

**Jun 2021 - Sep 2021**

**Promimpex Company Limited, Kyiv**

**Regional Sales Manager**

### *Outline*

The Company sold high pressure hoses for the coal mining industry. My role involved communicating with existing client and searching for the potential clients, participating in the process of contracting, reporting on the sales structure and volumes. This was a part-time role whilst studying.
