Reside in: Poland, Warsaw / Polish citizenship

About me: More than 3 years of programming experience of which 2 years as a React Developer. Currently learning to develop web applications using Next.js, Cypress and Node.js with the aim to further grow as a front-end / full-stack software engineer.

Technical skills:

√   HMTL / CSS / SASS / Styled components / Material UI
√   JavaScript / TypeScript
√   React.js / Next.js
√   Redux / Redux toolkit(reselect, thunk) / React-Query
√   React-Testing-Library / Jest / Cypress / MSW
√   Vue.js / Nuxt.js
√   Node.js / Express.js (in progress)
√   Firebase / MongoDB / Rest API / Apollo GraphQL / PostgresSQL / Docker / Webpack
√   BitBucket / GitHub / GitLab / Jira / Slack / Figma / Scrum
√   English / Polish — B2

Work experience

Jun 2022
— till now

CloudBest
Poland | Remote
