ZHARA HALL

I am a hardworking newly graduated Psychology student, bringing forth a motivated attitude and fresh eagerness to learn. I have had a variety of part time jobs in different job titles each giving me unique layers of work experience. I also consider myself a strong leader who works well under pressure and easily exudes positivity. I have a great eye for detail and a lot of passion in everything I do.

EXPERIENCE

Catering Services International, Southampton - Hospitality July 2022-present

Working at many weddings and events as well as restaurants as a waiter.

Rachel Niddrie, Winchester - Interior design Internship September 2022

My role included helping out with administrative tasks and solving problems we came across. I also helped by working as an interior stylist. For example, I worked closely with fabrics, where I picked out fabrics for different upholstery pieces that would be included in projects.

Costa Coffee, Rownhams — Barista

Jan 2022 - April 2022

The job included serving customers drinks and food. I finished my training as a proper costa coffee barista. I also received a lot of positive official reviews from customers complimenting my bubbly and great service.

Jeera fine Indian Restaurant, Romsey — Waitress/Bar staff

Jul 2019 - Sep 2019

I worked as a head waitress in a newly opened restaurant and played a big part in maintaining loyal customers and getting the restaurant up and rolling. I learnt a lot from leading a team, I also did not hold back in giving ideas on ways we could improve the restaurant due to it being newly opened.

The unique part of the job is the fact that the theme park had a large staff which meant you had to change who you worked with and where you worked so you had to be great at adapting. I would often be the leader of my units.

Cousins Entertainment Limited, Winchester — *Ice Rink Marshal*

Nov 2015 - Jan 2016

The job included: ensuring the safety of staff and customers on the ice, applying first aid if an accident occurred, ensuring the rules of the rink are adhered to by customers, and dealing with members of the public in a manner that will enhance their skating experience

I got this job at the age of 15 demonstrating my passion to start working so early.

PROJECTS

University Dissertation — *on the effects of stress on aging using Mri scans of rhesus monkey*

Newcastle University Fashion Society Fashion Show — *Creative director and Executive producer*

I worked as a creative director and executive producer for a decently budgeted fashion show for the Newcastle University fashion society. The year I worked on it was a particular challenge and achievement because of

covid, i was therefore at the forefront of creating an idea to completely change the original format of the show to be covid friendly. The job meant that I had to creatively direct the story in the show with a team but I also helped direct and produce the videos demonstrating that I have plenty of photoshoot experience and the ability to direct a team.

Extended Project Qualification (A levels)— *on Post traumatic stress disorder*
